

Certificate OF PARTICIPATION

THIS CERTIFICATE IS AWARDED TO

Rodmark Bernard A. Villa
from **KlimaTech**

in recognition of his/her/their active and meaningful participation in the **Philippine Junior Data Science Challenge 2025** with the theme **Weathering the Storm: Uncovering Climate Solutions for Atmospheric Resilience**.

Your contributions and collaborative spirit have been invaluable in advancing the goals of the competition, reflecting a commitment to innovation in data science and its application to achieving Atmospheric Resilience.

Given this 22nd day of November 2025.
